Single players are welcome to inquire and will be placed with a team if possible. Entry fee \$80 per team. Checks payable/mail to Fellowship of the King Chess Club, c/o Neilley & Co. CPAs, 2720 Airport Drive, Suite 150, Columbus, OH 43219

Other: Please plan to patronize Donatos to help meet our food order commitment each day. Due to the acoustics of the room, conversation, young visitors and skittles are not permitted in the basement during play. Games from the October and November matches will be held and submitted for rating along with the December games. This may help players earn “bonus points” when USCF rates the games as one event, will make the games eligible for the USCF Jr. Grand Prix, and will significantly ease submission.
